Sir:

The Assignees, Murdoch Children's Research Institute, hereby disclaim, except as provided below, the terminal part of any patent granted on the above identified application which would extend beyond the expiration date of U.S. Patent No. 6,248,741 which issued on September 4, 2001, and hereby agree that any patent so granted on the above identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent 6,248,741.

The Assignees further agree that this agreement is to run with any patent granted on the above identified application and is to be binding upon the grantee, its successors, and assigns.

The Assignees do not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of U.S. Patent No. 6,248,741 in the event that said patent later: expires for failure to pay a maintenance fee, is held
